PROFESSIONAL SUMMARY

I am an established creative artist with about 15 years of experience on my portfolio. My achievements include: I have published 5 unique albums in the past-- I exercised my skills in singing, songwriting, music composition, and electronic music programming; I have written and self-published 2 novellas within a quick timeframe and stayed highly motivated. I have 2 months of experience writing text prompts on AI art platforms, and I have published dozens of examples of my AI artwork, several AI films, several AI animations, & about 6 original AI music tracks for free enjoyment on my website portfolio. I am calm, patient, especially when dealing with the sometimes technical unreliability of internet websites, services, apps, AI art creation platforms, if I encounter a bug or server malfunction while working, I quietly walk away and focus my attention on another goal.

EMPLOYMENT

Delivery Driver

Uber Eats | Peoria, Illinois

Oct 2023 - Apr 2025

I drove to restaurants, grocery stores, and more to pick up orders or personally shop for my customers. I took these orders and drove them to my customers' preferred drop-off locations, which varied from residences to businesses. Sometimes I was responsible for helping customers communicate with Uber Eats conglomerate staff support members to help them get refunds if a consumer business got the order wrong, there were missing items, and in case of some other issue.

EDUCATION
